

Berkeley County Schools 2022-2023 Calendar Highlights

First Day for 200 Day Employees	Monday, August 15, 2022
First Day for Students (K-12)	Monday, August 22, 2022
Last Day for Students	**Friday, May 26, 2023 (Tentative depending on inclement weather)
Last Day for 200 Day Employees	**Tuesday, May 30, 2023 (Tentative depending on inclement weather)

**Each day schools are closed for inclement weather has to be made-up to guarantee 180 instructional days. The first 5 days that schools are closed for inclement weather will not have to be made-up by using the equivalent time option and will not require additional instructional days to be added to the calendar. For inclement weather days 6-10, schools will provide instruction virtually with teachers providing direct instruction online following the normal school schedule. If schools are closed for more than 10 days, this will require using non-instructional days and/or out-of-calendar days to make-up instructional days lost.

*****The last day for students and/or staff could be as late as June 30 to guarantee 180 instructional days. Spring Break Out-of-Calendar Days can be converted to instructional days.**
